Non-specified injury assessment

a) If the *Insured Person* suffers *Bodily Injury* to a part of the body that is listed on the *Schedule*, items 2-4a of section A or listed under the specific disabilities table above items A i)-ix):

The *Company* will ask the *Medical Consultant*, *Medical Practitioner* or *Medical Specialist* who treated the *Insured Person's* injury to assess the degree of their post-*Accident* impairment and disability and explain their assessment. If they are unable or unwilling to do this in a timely manner or if they are unable to provide the *Company* with justifiable evidence to support their assessment, the *Company* will appoint an independent *Medical Specialist* to make this assessment. This may require them to examine the *Insured Person* and/or review their medical records and other medical reports and/or refer to medical assessment guides so that an assessment can be made.

The *Company* may also ask an independent *Medical Specialist* to examine the *Insured Person* and/or review their medical records and other medical reports to obtain a second opinion. The *Company* may also ask the *Insured Person's* treating *Medical Consultant*, *Medical Practitioner* or *Medical Specialist* to review and comment on the assessment made by the independent *Medical Specialist* the *Company* appoints to reach a joint agreement.

Once the *Company* is in receipt of the assessment(s) it will then calculate as a percentage disablement to the nearest *Permanent Disability* item shown on the *Schedule* to arrive at a claim payment amount. The *Insured Person's* occupation or age will not be a relevant factor in assessing the relevant percentage.

b) If the *Insured Person* suffers *Bodily Injury* to a part of the body that is not listed in section A on the *Schedule* under items 2-4a or cannot be assessed by reference to the stated percentages of the Specific Disabilities table above items A i)-ix):

The *Company* will assess the injury as a percentage of the body as a whole and apply this to the amount shown for item 4a of section A. To do this the *Company* will ask the treating *Medical Consultant*, *Medical Practitioner* or *Medical Specialist* that treated the *Insured Person's* injury to review the impairment and disability and provide the *Company* with their assessment. If they are unable or unwilling to do this in a timely manner or if they are unable to provide the *Company* with justifiable evidence to support their assessment, the *Company* will appoint an independent medical specialist to make this assessment. This may require them to examine the *Insured Person* and/or review their medical records and other medical reports and/or refer to medical assessment guides so that an assessment can be made.

The *Company* may also ask an independent *Medical Specialist* to examine the *Insured Person* and/or review their medical records and other medical reports to obtain a second opinion. The *Company* may also ask the *Insured Person's* treating *Medical Consultant*, *Medical Practitioner* or *Medical Specialist* to review and comment on the assessment made by the independent *Medical Specialist* the *Company* appoints to reach a joint agreement.

Once the *Company* is in receipt of the assessment(s) it will then calculate a percentage disablement of the body as a whole and apply this to the amount shown for item 4a to arrive at a claim payment amount. The *Insured Person's* occupation or age will not be a relevant factor in assessing the relevant percentage.

When more than one form of *Disablement* results from one *Accident* the percentages from each will be added together, but the *Company* will not pay more than 100% of the *Sum Insured* under item 4a of section A of the *Schedule* other than for *Permanent Partial Disablement* items C-F which will be payable in addition to the amount payable under item 4a.

Other than as provided for above, if a claim is payable for loss of, or loss of use of a whole part of the body, a claim for any component of that whole part cannot also be made.

Provisions applicable to section A

1. If an *Insured Person* goes missing during the *Operative Time* and after a suitable period of time it is reasonable for the *Company* to believe that the *Insured Person* has died as a result of *Bodily Injury* during the *Period of Insurance*, the *Company* will pay the *Sum Insured* shown on the

The *Company* will ask an *Insured Person's Medical Practitioner* (if suitably qualified) or the *Medical Specialist* that treated them to make these assessments (or an independent *Medical Specialist* or other suitably qualified person if they are unable or unwilling to do so). The assessment will be converted into a percentage and applied to the policy benefit payable.
 4.  8. If an *Insured Person* is not covered under item 1 but is covered under items 2-4b of section A as shown on the *Schedule*, the *Company* will not pay claims under items 2-4b if the *Insured Person* dies during the 13 week period following the date of the *Accident*. If the *Insured Person* is covered under item 1 but the *Sum Insured* is less than that for items 2-4b, the *Company* will only pay item 1 if the *Insured Person* dies in the 13 weeks following the date of the *Accident*.
 9. The *Company* will only pay one of the items 1-4b under section A of the *Schedule* in respect of the same loss, and the amount paid will be for the cover item that most closely describes the loss and any payment made under items 5 and 6 of section A will stop when the *Company* pays the full amount due under items 1-4b.
 10. Where a period of *Temporary Total Disablement* is less than seven consecutive days the amount the *Company* will pay for each working day will be calculated as a percentage of the *Insured Person's* normal days/hours of work per week in accordance with their contract of employment and applied to the amount specified on the *Schedule*.
 11. If the *Company* has extended the policy to include cover for dividends, payments under any of the items 1-5 of section A, they will be treated as being the *Insured Person's Annual Salary* or *Gross Weekly Wage* provided that such dividend payments are paid instead of wages/salary, they are declared and are shown with the *Insured's* accounts and they are consistent and reasonable with the *Insured's* trading position on a continuing basis.
 12. The *Company* will not pay a benefit under the extensions to section A for the burns benefit, facial scarring benefit and fracture benefit in addition to a claim under items 1-4b of section A.
 13. If a claim or series of claims from one event exceeds the *Scheduled Aircraft Accumulation Limit*, the *Non-Scheduled Aircraft Accumulation Limit* or the *Any One Accident Limit* shown on the *Schedule*, the *Company* will pay either the limit shown on the *Schedule* or reduce each claim made proportionately until the combined total does not exceed the limit shown on the *Schedule*.

These general policy conditions are applicable to this policy as a whole. Please read each section to see further additional conditions and provisions relating to that section.

The *Insured* must comply and ensure that *Insured Persons* also comply with the General Policy Conditions and the additional conditions and provisions detailed in each section of this policy otherwise the *Company* may refuse to pay any relevant claim under this policy.

1. Acceptance of payment

If the *Company* has made full payment for a claim under this policy to the *Insured* then the *Company* will not have to make any further payments for the same claim.

2. Assignment

Neither this policy nor any right described within this policy may be assigned or transferred unless agreed by the *Company* in writing.

3. Associated companies and change in risk

If relevant and subject to the *Company's* prior written consent, this policy will cover a company or organisation which is an associated company or a subsidiary of the *Insured* or other business entity as long as a list of these companies has been provided to and accepted by the *Company*. If the *Insured* changes its business activities from those described in the 'Business description' on the *Schedule* during a *Period of Insurance* the *Insured* must tell the *Company* within 30 days of the change.

Where the alteration represents a material change to the business activities or material information already provided to the *Company*, it reserves the right at the time of notification to decide whether to provide cover and, if so, to establish a separate rate and premium and, if appropriate, terms to provide coverage for any such change.

4. Cancellation of Cover

The *Company* can cancel this policy by giving 30 days' written notice to the *Insured* at the *Insured's* last known address or to the insurance intermediary specified on the *Schedule*. The *Company* will refund to the *Insured* the premium for any *Period of Insurance* remaining.

The *Insured* can cancel this policy by giving 30 days' written notice to the *Company* at the address shown in this policy. On cancellation the *Company* will refund to the *Insured* the premium for any *Period of Insurance* remaining provided no claims or incidents have been reported to the *Company*. If a claim has been paid or is payable, no return premium will be paid if the claim amount exceeds the premium paid. If an incident has occurred that could give rise to a claim under this policy, then no return premium will be paid until the *Company* and the *Insured* agree the amount payable in respect of such claim and no return of premium will be paid if the amount exceeds the premium paid.

An *Insured Person* has no right to cancel this policy.

The *Company* can cancel any cover provided by this policy for *War* by sending seven days' notice (from the date of sending) to the *Insured* at the *Insured's* last known address.

5. Claims notification and evidence

All claims must be notified as soon as is reasonably practical after the event which causes the claim. Failure to do so may result in the *Company's* rejection of the claim if it is made so long after the event that the *Company* is unable to investigate it fully, or may result in the *Insured* not receiving the full amount claimed for if the amount claimed is increased as a result of the delay. The *Company* must be provided with all reasonable and necessary evidence required by the *Company* to support a claim. If the information supplied is insufficient, the *Company* will identify the further information which is required. If the *Company* does not receive the information it needs, the *Company* may reject the claim or withhold payment until the information it may reasonably require has been received.

6. **Cover under more than one category**
Where an *Insured Person* is covered under more than one policy category of *Insured Persons* as shown on the *Schedule* and more than one benefit item as shown on the *Schedule* or any attached memoranda in relation to a single event, the *Company* will only pay the *Sum Insured* for the highest benefit item under one category of *Insured Persons* for the loss sustained.
7. **Currency**
Claims involving foreign currency will be converted into the currency in which the premium and benefits/*Sum Insured* limits are shown, at the selling rate of exchange published on: www.oanda.com/currency/converter on the day of the loss or the next business day. Unless specifically agreed otherwise, claims will be paid in the *United Kingdom*.
8. **Duty of fair presentation**
If the *Insured* breaches its duty of fair presentation of risk and, but for the breach, the *Company*:
 (i) would not have entered into the policy; or
 (ii) would have done so only on different terms,
 The *Company* will have remedies against the *Insured* as follows:
 (a) The *Company* may avoid the policy and refuse all claims if:
 (i) the breach is deliberate or reckless, in which event the *Company* may retain the premium paid; or
 (ii) but for the breach the *Company's* underwriter would not have entered into the policy on any terms, in which event the *Company* shall return the premium.
 (b) In all other cases:
 (i) where the *Company's* underwriter would have charged more premium, any amounts payable by the *Company* will be scaled down to the ratio that the premium actually charged (the "Actual Premium") bears to the premium that he would have charged to assume that risk (the "Reference Premium"); and in addition
 (ii) where the *Company's* underwriter would have written the risk on different terms (other than in relation to premium) the policy is to be treated as if it had been entered into on those terms.
9. **Failure to comply with conditions**
Where the *Insured* or an *Insured Person* does not comply with any obligation to act in a certain way specified in this policy, this may prejudice the *Insured* or an *Insured Person's* position to recover under any claim.
10. **Interest on amounts payable under this policy**
The *Company* will not pay interest on any amount paid under this policy.
11. **Kidnap of an insured person**
If during the *Period of Insurance* an *Insured Person* is the victim of a hijack or kidnap or is held hostage, the insurance provided by this policy will continue until the *Insured Person* has returned to the *United Kingdom* or *Permanent Country of Residence* or until a period of twelve months from the date that the hijack or kidnap or hostage situation has expired, whichever occurs first.
12. **Other Insurances**
If at the time of a claim there is another insurance policy in the *Insured's* name which covers the *Insured* or the *Insured Person* for the same expense or loss, the *Company* will only pay a proportion of the claim, determined by reference to the cover provided by each of the policies, except for section A, items 1-6 on the *Schedule*, which are payable in full.
13. **Other Interests**
No person other than the *Insured* can make a claim under this policy.
14. **Payment of claims monies**
If the *Company* agrees to pay the *Insured* a valid claim for cover under this policy that has been arranged or purchased for the direct benefit of an *Insured Person* (other than where the *Company* has agreed to an assignment), the *Insured* agrees to promptly forward any payments received under this policy to that *Insured Person* to the extent that the *Insured Person* has

suffered *Bodily Injury*, loss, damage or expense recoverable under the policy or is otherwise entitled to a policy benefit payment either contractually or implied.

The receipt of the payment by the *Insured* will discharge the *Company's* liability to pay any amount directly to the *Insured Person*. The *Insured Person* (or their legal representative) has no right to claim or sue the *Company*. The receipt of the payment shall discharge the *Company* in respect of its liability to indemnify, or pay the benefits concerned.

15. Payment of premium

The premiums are to be paid as agreed and information will be supplied to the *Company* in the form and at the frequency reasonably required by the *Company* for the cover to be and remain in force.

16. Policy Alteration

The *Company* may change the terms and conditions, including the premium, of the policy by giving the *Insured* 30 days' notice in writing to the *Insured's* last known address. The *Company* will only make a change during the *Period of Insurance* to reflect a change in the *Insured's* circumstances or in the event of any change in the law affecting this policy, for example a change in Insurance Premium Tax or other tax. If the changes are acceptable to the *Insured* then this policy will continue. If the changes are not acceptable, the *Insured* may cancel this policy. If this happens no claims will be paid for a loss that occurs after the date of the cancellation. The *Company* will refund to the *Insured* the premium for any *Period of Insurance* remaining.

17. Policy interpretation, governing law and jurisdiction

This policy will be governed and interpreted by English law, and the *Insured* and the *Company* agree to submit to any court of competent jurisdiction in England or Wales (or Scotland if the *Insured* is registered in Scotland) to determine any dispute arising under or in connection with this policy and agree to comply with all requirements necessary to give such court jurisdiction unless the *Insured* and the *Company* agree to abide by the laws of a different country before the commencement of the *Period of Insurance*.

The terms and conditions of this policy will only be available in English and all communication relating to this policy will be in English.

18. Premium Adjustment

If the premium is shown on the *Schedule* as being provisional it will be adjusted as follows:

- a) Unless agreed otherwise, at the end of each *Period of Insurance* or each declaration period, the *Insured* will advise the *Company* of the information it may reasonably require that relates to the expiring *Period of Insurance* or declaration period within 3 months of the end of the *Period of Insurance* or declaration period and the actual premium will be re-calculated by the *Company*.
- b) If the actual premium calculated is greater than the premium already paid for the *Period of Insurance*, the *Insured* will pay the balance to the *Company*. If it is less, the difference will be repaid to the *Insured* subject to any agreed minimum retained premium.
- c) Any permanent alterations to the policy during the *Period of Insurance* for which an additional premium has been or would have been charged will be included in the adjustment calculation.

19. Reasonable Care

The *Insured* and each *Insured Person* must take all reasonable steps to avoid and minimise any loss or damage and must also make every effort to recover any property covered by this policy which has been lost or stolen.

20. Recovery from third parties

In the event that a third party is held liable for all or part of any claim paid under this policy, the *Company* may exercise its legal right to pursue the third party to recover its outlay. The *Insured* or an *Insured Person* will upon the *Company's* request agree to and permit the *Company* to do such acts and things as may be necessary or reasonably required for the purpose of exercising this right. The *Company* will pay the costs and expenses involved in exercising its right against the third party.

21. Rights of third parties

A person who is not party to this contract including specifically any *Insured Person* has no right whether under the Contract (Rights of Third Parties) Act 1999 or otherwise to enforce any term of this contract.

22. **Sanctions**

The *Company* shall not be deemed to provide cover and the *Company* shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the *Company*, the *Company's* parent company or the *Company's* ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union or the United States of America.
